PURPOSE

Income eligibility for Workforce Attachment & Advancement and for literacy services is at 200% of the federal poverty limit (FPL). On February 14, 2002, the US Department of Health & Human Services published revised "HHS Poverty Guidelines" (a/k/a, FPL). Those new amounts prompt changes in our income limits. The new amounts appear in the following table. For your information, both the 100% and 200% FPL limits are included, as well as both the annual and monthly income limits at both levels.

Group Size	Annual Amount – 100%	Annual Amount – 200%	Monthly - 100%	Monthly - 200%
